Help Us To Help Others

Our Focus

Our Vision

Foster self-reliant and thriving communities amongst low-income and under-privileged communities of developing and under developed nations especially India.

Create nurturing environment where every individual in the society can reach their full potential.

Our Mission

Promote and sponsor activities to improve education, heighten social and environmental awareness and foster community development amongst the under-privileged.

Organize cultural activities in USA to raise awareness amongst the local communities about the plight and to solicit ideas of all interested parties to address the educational, economical and ecological needs of the disadvantaged.

HIGHLIGHTED PROJECTS

Talented Student Sponsorship (TSS)

TSS provides financial and educational support to at risk talented students from poor families. A selection committee consisting of local teachers, social workers, and volunteers of local NGOs recommends students based on merit, economic status, social conditions of family, gender equality. In 2008 MSD helped 25 talented students achieve their educational goals.

Students from Sunderban Bankura Baruipur Kakdwip, West Bengal,

Sponsorship per student/year:

\$150 USD
(Arts curriculum)

\$300 USD
(Science/Engineering/
Medical curriculum)

Disaster Relief

Natural disasters are part of human experience. MSD is working on different disaster relief efforts starting from emergency response, management, recovery and long term recovery. MSD gained its first experience in disaster relief operation during Cyclone Aila in Sunderban. We are also helping the victims of Laila that devastated coastal Southern India. As we gain more experience we would continue to work on various disaster relief operations around the globe.

Support Laila / Aila victims with \$50 USD

Please come forward and sponsor education for a talented but financially challenged student

More than 200 students are waiting for your support, Please help them achieve success in life

Solar Light Project (SLP)

Many areas of India and other developing nations have no electricity. People need to use oil or kerosene lamps that are unhealthy, fire hazardous, expensive and accelerate climate change & global warming. MSD is partnering with *OneMillionLights* of Palo Alto, CA to procure and distribute solar lights. Currently, a pilot project of 1000 solar lights is being implemented in different parts of West Bengal, India.

40 Solar lights distributed to students and needy families in Sunderban

Support with \$25 USD per solar light/per family

Evening Class Project (ECP)

MSD is working with SPAN-Anandadhara in Kolkata that helps daily laborer children who have dropped out of school to graduate high school by providing them free coaching classes in the evening.

Support ECP with \$50 USD
